WALKER AUTOMOTIVE COMPLEX IN ASSOCIATION WITH CANZANI ASSOCIATES

Construction of a new 35,000 SF shop and office facility with separate showroom buildings for Mercedes-Benz/Volvo (7,700 SF), Land Rover/Jaguar (7,800 SF), and Porsche (4,500 SF). In addition, four 97,000 SF precast concrete parking deck structures were constructed between the showrooms. All buildings had “high-end” finishes. Preconstruction services were provided on this project.
